Cashwork Coin 200

Mix Coin Value Counter

Cashwork Coin 200 is a **compact, convenient mix counter** which counts multiple coin denominations in one single run. The unit can count continuously or counts to a preset total of coins. For detection of foreign coins the counter uses Coinsure® Sensor.

Because of its sturdy metal housing and its professional mechanism this device is especially suitable for bank cashiers and retailers.

Detection

Sensor	Coinsure Adaptive®
Diameter	14 mm – 34 mm
